OVERVIEW

Company Name :

PT. JEI Consulting Indonesia (Indonesia)

Mother Company : JT. Co.Ltd

Partner Company : NPD Healthcare Co.Ltd (Thailand)

PT JEI Consulting Indonesia is a professional provider of narcotics testing services, trusted by more than 500 companies and institutions with over 100,000 tests conducted both in Indonesia and Thailand. As we have partnership with NPD Healthcare Services Co.Ltd (Thailand)

WHY TO USE OUR SERVICES?

In Indonesia, Drug Testing Is Not Optional , **It's Mandatory!**

Regulations are strict, abuse rates are rising, and legal consequences are real.

Companies that fail to act are not just negligent, but in violation.

Facts That Cannot Be Ignored

Indonesia is among the top six largest drug markets in the world. The National Narcotics Agency (BNN) records 3.6 million active users, and this figure continues to rise annually.

What is worrying: **70% of users are of productive age** (15-35 years old) the group that dominates your workforce.

Binding Legal Basis

- Law No. 35/2009 concerning Narcotics.
- Minister of Manpower Regulation on Occupational Health and Safety.
- Minister of Manpower Circular Letter on Prevention of Drug Abuse.
- Tender requirements for state-owned enterprises and government agencies.

Many companies only realize the importance of compliance after losing a contract or facing an audit

Risk of Non-Compliance

- Administrative sanctions up to revocation of business permits.
- Legal responsibility in the event of a work accident.
- Decreased work. productivity & Company reputation crisis One **viral news** = 10 years of trust lost overnight.
- Failed project tender.

THE QUESTION IS:

Is your company protected?
